Our speaker this month is Ian Jackson, the Chief Fraud Investigator with HBOS. He will be telling us how we can avoid being a victim of credit card fraud and how to keep our identities safe.

Everyone who has plastic, or even just a bank account, is at risk of either funds being taken from their account or goods being obtained fraudulently. It's big business – in 2006 the cost of credit card fraud in the UK was £428m – make sure you know how to avoid adding to the statistics!
